Dear Saint Ann Family,

It is hard to believe that our summer is coming to a close, and our Centennial celebration is culminating this weekend. As you remember, last year, we started our celebration with Mass and Benediction and throughout the whole year the sacrifice and effort and prayers, from so many people have been tremendous.

We have undertaken many projects this past year. There have been so many volunteers who worked in the areas of building and grounds, cleaning, school renovation, school recruitment efforts, planning, printing, writing, photography, music, the Fiesta, and other areas. I certainly thank all the people who have put so much effort into this year, for God has richly blessed us.

This weekend will be exciting as we celebrate our Centennial Mass with our new Archbishop Schnurr on Sunday. But we hope to see so many people come for the free concert on Saturday evening, with time for food and fellowship.

It is quite a rare occasion to have the opportunity to experience a parish that has been a part of God's grace for 100 years. Saint Ann Church and School have been a part of Hamilton for so long, and she will continue to provide the work of the Lord for His people. Hopefully, we will have good weather for our activities.

Once again, I want to thank so many people that have been involved with Saint Ann's, to help build a community of Faith. God bless you, *Fr. Mondiek*

From our bishops: "Things have gone too far..." "In the United States abortion is legal throughout pregnancy. Yet abortion is a violation of human rights incomparable in magnitude and an atrocity for the whole human family. While Roe v. Wade appeared to create a right with some limitations, Doe v. Bolton, which was decided the same day, erased those limitations by creating a "health" exception so broad that it effectively allows abortion for any reason at any time... Most Americans are surprised and shocked to learn about the lack of any meaningful legal limitations for abortion. Most know things have gone too far. Together with those from many other faith communities, we work to bring about a society that recognizes abortion for what it truly is" (A Matter of the Heart -- A Statement of the United States Conference of Catholic Bishops on the Thirtieth Anniversary of Roe v. Wade) *Priests for Life Liturgical resources*
We must unite as the body of Christ to fight the greatest evil of our day, abortion. To build a culture of life, we must start with prayer. Please join the worldwide "Pray to End Abortion" cause on face book, at www.ProLifePrayers.org. Be a part of the largest prayer group in history!
